TIME TRAVEL

LEARN FROM THE PAST

- Incidents
- Near misses
- Inspections

ARE THERE PATTERNS?

HAVE THE SAME PROBLEMS APPEARED BEFORE?

HEALTH&SAFETY HERO

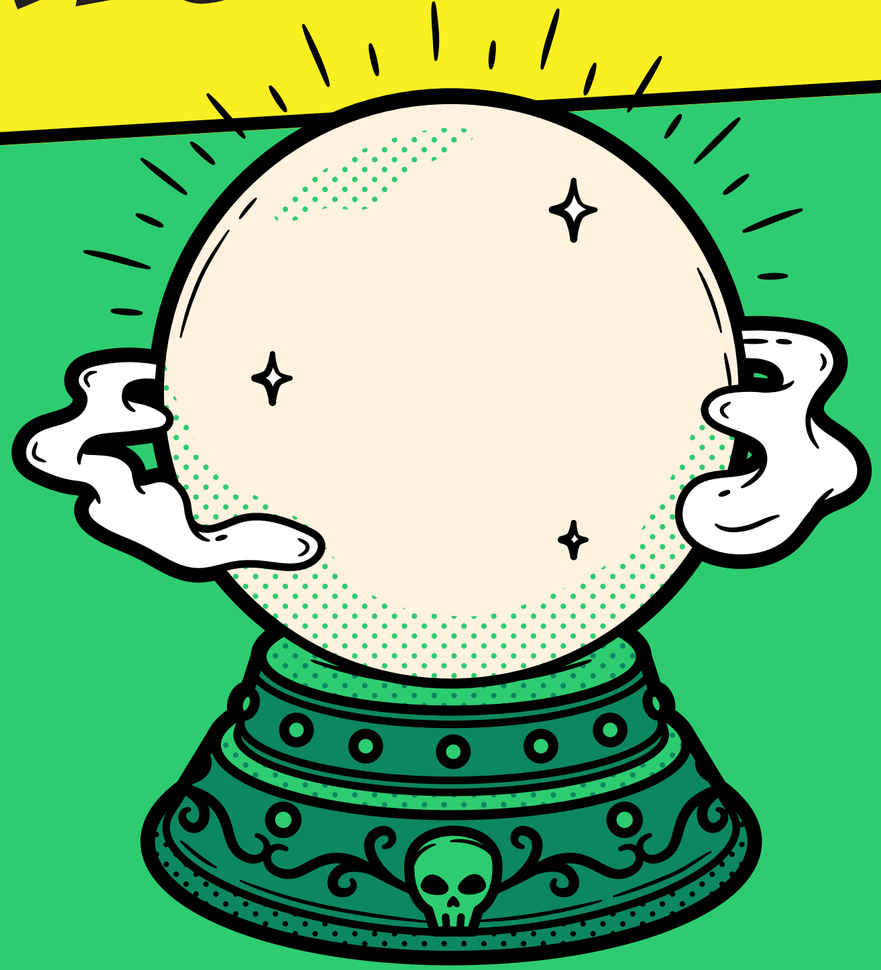

CRYSTAL BALL

LOOK AHEAD

- Control hazards
- Risk assessments
- Inspections
- Safety conversations

WHAT COULD GO WRONG?

PREDICT PROBLEMS!

HEALTH&SAFETY HERO

FORCE FIELD

PROTECT FROM HARM

- Remove hazards
- Change the process
- Safer equipment
- Controls
- Procedures
- Training
- PPE

EVERY HERO NEEDS PROTECTION

HEALTH&SAFETY HERO

X-RAY VISION

LOOK BEYOND THE OBVIOUS

- Hidden hazards
- Ignored hazards
- Unnoticed hazards

IT'S ALWAYS BEEN LIKE THAT

SEE THE HAZARDS OTHERS HAVE MISSED

HEALTH&SAFETY HERO

SUPER HEARING

LISTEN

Encourage people to:

- **Report hazards**
- **Raise concerns**
- **Report near misses**
- **Suggest improvements**
- **Ask questions**

SAFETY INFORMATION IS IN THE CONVERSATION

HEALTH&SAFETY HERO

MAGIC WAND

TAKE ACTION

- Fix problems where you can
- Report problems if you can't
- Follow up to make sure problems get fixed

SPOT IT.
SORT IT.
MAKE IT SAFER.

HEALTH&SAFETY HERO

EMERGENCY RESPONSE

KNOW WHAT TO DO WHEN THINGS GO WRONG

- Know your emergency procedures
- Know where to find first aid
- Know how to raise the alarm

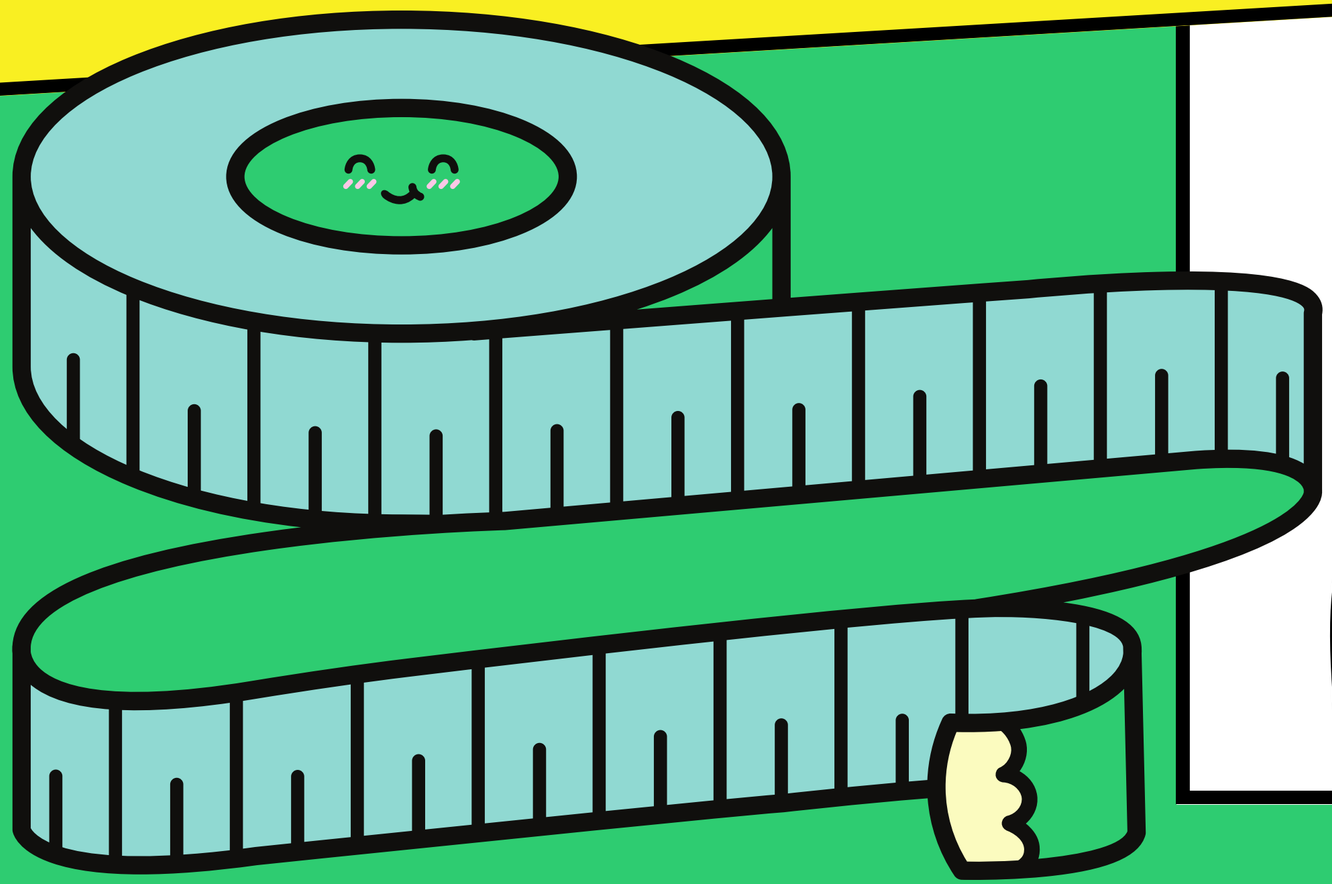

HEALTH&SAFETY HERO

STAY CALM.
FOLLOW THE PLAN.

SUPER GROWTH

ALWAYS IMPROVE AND RAISE STANDARDS

- Keep learning
- Keep asking questions
- Keep developing skills
- Look for the next improvement

DON'T MAINTAIN THE STANDARD. RAISE IT.

HEALTH&SAFETY HERO

REGENERATION

ADAPT WHEN THINGS CHANGE

- New equipment
- New technology
- New people
- New processes
- New risks

REVIEW THE RISKS. ADAPT CONTROLS.

DON'T ASSUME YOUR OLD CONTROLS ARE ENOUGH

HEALTH&SAFETY HERO

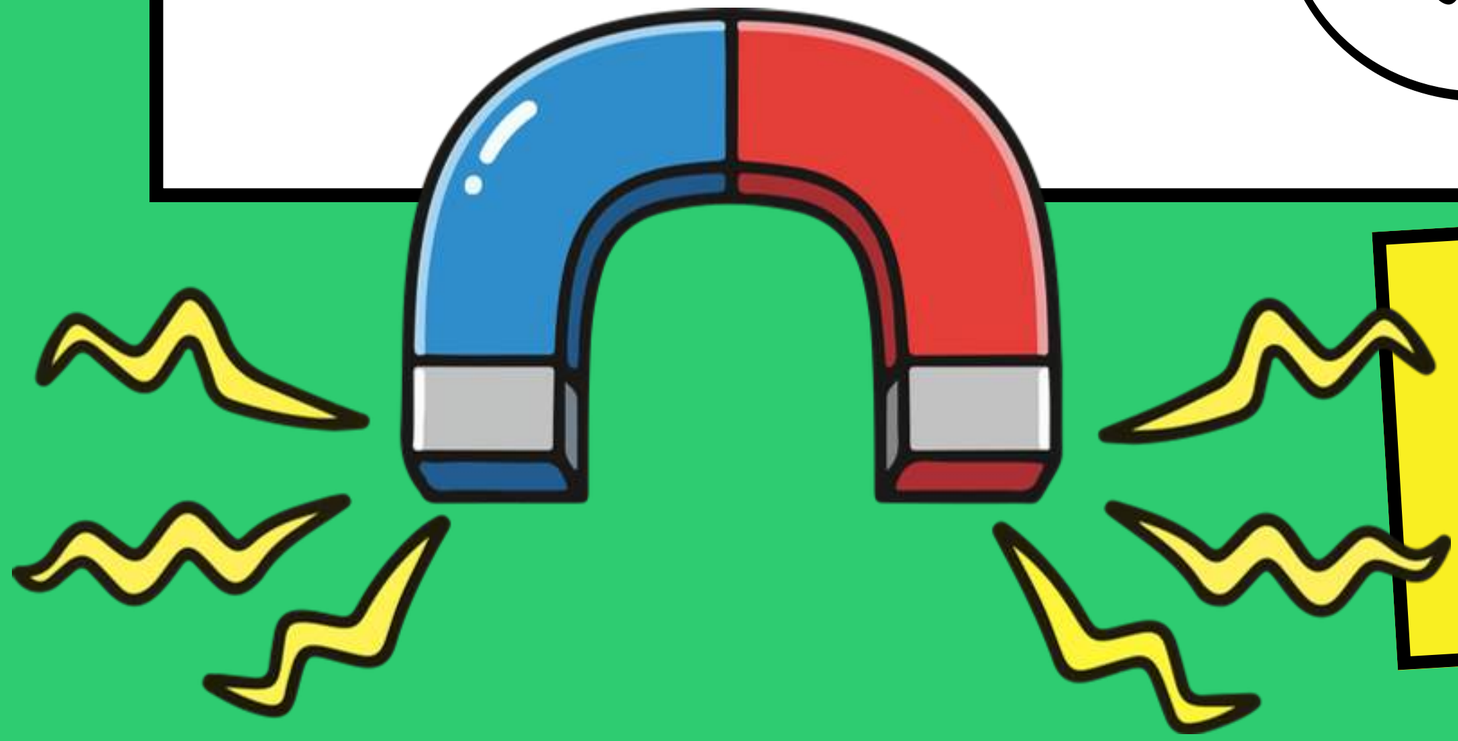

ATTRACT PEOPLE TO GOOD SAFETY PRACTICES

- Get people involved
- Recognise good practice
- Make it easy for people to speak up

HEALTH&SAFETY HERO

SAFETY IS EVERYONE'S JOB

MAKE HEALTH AND SAFETY PART OF THE CULTURE
